(Intense exercise : Fast & Short 30 to 60 mins)**

### INGREDIENTS:

Lucerne (alfalfa), whole oats, sunflower seeds, maize, sugarcane molasses, soybean meal, soybean/sunflower oil, wheat bran, yeast (brewers), fructo-oligosaccharides (FOS), amino-acids, sodium bicarbonate, salt, minerals, vitamins, trace elements, preservatives

### BENEFITS:

Ultimate Horse feeds provide a unique concept of high fibre level combined with extruded raw materials.

- 1 - **High fibre** level that ensures that horses/ponies are always fed a minimum amount of good quality forage, thereby **reducing the risks** of digestive disorders
- 2 - Extruded raw materials to increase nutrients availability and digestion of starch which **enhance** the horse **ability to sustain work**
- 3 - An optimal mix of extruded ingredients and chopped alfalfa hay to **regulate horse feed intake** (density of feed = 500g/L)
- 4 - High fat diet and high nutrient density to support **high race performance**.
- 5 - **Highly palatable** textured feed for consistent intake
- 6 - High Omega 3 level for a **healthier immune system**
- 7 - Rich in fatty acids to help keep a **nice hair coat**
- 8 - Added FOS **improves** digestibility and **intestinal transit**
- 9 - Added yeast **enhances feed digestibility** and palatability
- 10 - All the necessary ingredients of the finest quality are added to keep your horse/pony in a **perfect health** state geared to achieve optimal result

### FEEDING GUIDE:

*For the best results with Ultiwin*

- Use daily feeding rates as a guide for optimum results.
- Complete with good quality forage (at least 40% of diet).
- Provide in 2 to 3 meals per day.
- Monitor daily individual horses body condition and appetite for subsequent dietary adjustments.
- For transition from another diet, ensure gradual feed changes over a period of two weeks. (Changes in feeding rate should not exceed 500 grams per day).
- Provide clean, fresh water at all times.

### CONSERVATION:

Use preferably before a period of three months from the manufacturing date.
