### NOTES TO THE ABOVE

The unaudited interim quarterly condensed financial statements are in compliance with International Financial Reporting Standards (IFRS) and have been prepared on the same basis as the accounting policies set out in the statutory financial statements of the Group for the year ended June 30, 2020, except for the adoption of relevant published Standards and any amendments and Interpretations issued now effective. This communiqué is issued pursuant to DEM Rule 17 and the Securities Act 2005.

### RESULTS AND PROSPECTS

Sales volumes in Mauritius and overseas have gone down following disruptions caused by the Covid-19 pandemic. Prices of imported raw materials have also increased during the quarter, resulting in reduced margins.

The Mauritian and Malagasy markets continue to be impacted by the prevailing market conditions.

High prices of commodities on the world market will continue to impact our results for the next quarter.
